

## Data Policy ERC - Attachment 2

### List of Recipients

Version 23.05.2018

To the following natural or legal persons, public authorities, agencies or other bodies, personal data is disclosed, whether a third party or not (art. 4, 9 GDPR Regulation).

Processor	Purpose(s)	Limitations
National Resuscitation Councils <sup>1</sup>	Quality Control of courses	Access to individual accounts of their residents. Access to course data within their country. No export tool.
SEC <sup>2</sup> Co-Chairs (education)	Quality control of courses	Access to individual accounts of participants for the courses for which they are Co-Chairing the committee. Access to course data for their relevant course types. No export tool.
Course Centres	Administration of courses	Access to personal data either by mandate of, or upon explicit (but mandatory) approval by the course participant. Export of address details on a course level is facilitated, in order to ship paper manuals (to the extent supported).
Course Director	Certification of participants	Access to personal data related to the Course Centre's permissions of access. No export tool.
Elsevier	Access to Journal (Resuscitation)	List of names and email addresses of Associate Gold Members
European Trauma Course Organisation (ETCO)	Administration of ETCO courses	Access to individual accounts and course data of participants of ETCO courses

---

<sup>1</sup> With an Agreement (of cooperation) or a Memorandum of Understanding with the ERC.
